### Use this form to

- Request the value of a J.P. Morgan Securities LLC (**JPMS**) account on a specific date for a living or deceased account holder, or trustor/trustee, and/or request a step-up in cost basis from JPMS.

### What you need to know

- Only a beneficiary (e.g., individual, estate, trust) of a deceased account holder's account may request a step-up in cost basis from JPMS.
- A copy of the death certificate must accompany this form when the request is due to death.
- Executors must provide a court appointment dated within 1 year, if not previously provided.
- Trustees must provide necessary trust-related documents if requesting a valuation on a trust account.
- While information will be obtained from sources we consider reliable, JPMS does not guarantee its accuracy or use for a particular purpose, and it may be incomplete or condensed. Clients should refer to their statement for additional information.
- JPMS does not provide tax or legal advice. Please consult with your tax or legal professional before making decisions.

## 1. Valuation Details

*A death certificate is needed to process this request.*

*Type of valuation requested should relate to the valuation date.*

- Alternate valuations are calculated using the average pricing method exactly 6 months from the date of death. If there are securities sold or distributed out of the account within the 6 months, the values will be calculated on that date.
- Point-in-time valuations are calculated based on closing price methodology, which uses the market's closing price of each security on the date requested.
- Date of death valuations are calculated using the mean average price method, which takes the high and low prices of each security on the date requested and averages their values.

What type of valuation are you requesting? (select one)

- Date of death (Inverse Weighted Mean Pricing)
- Point in time (Closing Price)
- Alternate date (Average Pricing)

What is the valuation date (month/day/year)?

What account number held the assets on the valuation date?

### 2. Request to Step Up Cost Basis (for date of death valuations only)

- A step-up in cost basis applies the calculated date of death security values as the beneficiaries' cost basis.
- A step-up in cost basis can be applied to the securities (a) in the decedent's account prior to a distribution or sale transaction; or (b) in the receiving account after the distribution or sale transaction.

What type of step-up in cost basis are you requesting? (select one)

- No step-up
- Half step-up (all account holders/beneficiaries/executors/trustees must sign)
- Full step-up (all account holders/beneficiaries/executors/trustees must sign)

### 3. Account Holder/Beneficiary/Executor/Trustee Signature(s)

For a valuation, only the signature of the account holder, beneficiary, executor or trustee is needed.

For a request in step-up in cost basis, the following signatures are required:

- For a step-up to occur in a decedent's account with a court-appointed executor or an estate account, all executors must sign and must provide a court appointment dated within 1 year, if not previously provided.
- For the step-up to occur in the decedent's account with one or more beneficiaries, all beneficiaries must sign.
- For the step-up to occur within a trust account, all trustees must sign.
- For the step-up to occur within all other accounts, the account holder of the respective account must sign.
